Please Note

- The bumper wheel can be used with any combination of outside edge, bell extension, or plate extension.
- The mats are included with the footplate / extension assemblies. They are also available individually for replacement if needed.
- Due to a product enhancement, the Tapered Footplates are on runout and have been replaced with the Version 4 footplates.
- If selecting a tapered footplate, check inventory before ordering
- If replacing a tapered footplate with a Version 4 footplate, both the left and right sides must be selected
